Capital Area Corporate Recycling Council
Hosts First Annual Garage Sale

BATON ROUGE – In honor of America Recycles Day, the Capital Area Corporate Recycling Council, along with the East Baton Rouge Parish Recycling Office, will host its First Annual Garage Sale on Saturday, November 10. The event will take place from 9:00 a.m. to 1:00 p.m. at the CACRC warehouse at 800 St. Philip Street in downtown Baton Rouge.

The public is invited to peruse through used computer hardware and accessories, including monitors, towers, printers, speakers, mice, keyboards and cables. The organization will also be selling miscellaneous items, such as used televisions, DVD and CD players, computer software, cell phones and various office supplies.

Representatives from the EBRP Recycling Office and the Recycling Foundation will be on hand to sign up residents for the new recycling cart and to provide information about area recycling programs.

There will be a raffle for a refurbished laptop computer, and children are invited to create recycled holiday crafts.

CACRC is a nonprofit organization that promotes e-waste reduction and the use of recycled goods through leadership and education programs for public and private entities. The CACRC provides computers to schools, nonprofits and low income families. It is located in downtown Baton Rouge and is open from 8:30 am to 4:00 pm Monday – Friday for public drop-off of used electronic equipment. For more information, call 225-379-3577 or visit www.cacrc.com.
